

STOKE THE FIRE WITHIN

Peak Performance Keynote and Training Seminar For Your People

Charlie Adams

What Participants Are Saying

"Your presentation was the number one 'most liked' feature of our annual Dyna Care Home Health Goals Meeting in Chicago. One supervisor in our Texas branch said she wrote down about 20 "Charlie-isms" that she'll use as motivational messages to her staff." **John Petruso, Dyna Care Meeting Planner**

"Your Talk at Gibson Insurance's quarterly retreat was warm, upbeat, positive and incredibly inspirational!" **Shelly Smith, Gibson Insurance Development Day Planner**

"Charlie's program was the perfect way to kick off our convention week. We were so fired up!" **Nancy Reinholt, Postmasters Convention Planner**

Ignite Your Event and Your People

Charlie Adams specializes in kindling the flames of excellence within good, hardworking people. His rip-roaring **Stoke the Fire Within** keynote and training session is a blend of peak performance and the power of attitude. It is an experience that boosts morale, team spirit and individual achievement.

Stoke the Fire Within is built from the remarkable access Charlie had to high achievers during his twenty-three years in television news. He closely observed the common denominators of people who were able to stay "on fire" despite the unwavering challenges of life. As an authority on motivation, Charlie shares mindsets, strategies and easily-adaptable tools that audience members can use to improve the quality of their life at home and at work.

Stoke the Fire Within is a blend of passion, inspiration and humor. It puts people in position to ignite!

Charlie's Programs:

Stoke the Fire Within: The Keynote

This is the perfect way to set the tone, energize the midpoint, or powerfully close your meeting or event. Stoke is customized to your specific meeting theme.

Stoke the Fire Within: The Training Session

A seminar especially designed to equip your people with the mindsets and tools to persevere, achieve and sustain success by using championship attitudes.
